SOFT SKILLS

- Problem-solving
 - Teamwork
 - Adaptability
 - Effective communication
 - Time management
 - Critical thinking
 - Leadership
-

PROJECTS

OTT Platform: PhotoPlay

Developed a dynamic OTT platform with seamless user experience and engaging features.

- **Frontend:** Built using React.js with Material UI for responsive and intuitive UI/UX design.
- **Backend:** Node.js and Express.js for scalable server-side functionality.
- **Database:** MongoDB for efficient content management.

- **Key Features:** User authentication, subscription plans, content categorization, and video streaming.
- **Outcome:** Delivered a Netflix-like experience that showcases my ability to handle end-to-end project development.
